

September 25th 2008

Dear Ms Lui,

Thank you for your recent inquiry regarding the Non-Fat Dry Milk used in your products. Our Agglomerated Non-Fat Dry Milk is primary from Humbolt Creamery, located in California. The milk to process the Agglomerated Non-Fat Milk is solely derived from California cows. Please see attached document for further details.

Thank you for your attention.

Regards,

Vivian Loh
International Sales Manager
